Section of Theoretical & Applied Linguistics
UNIVERSITY OF CAMBRIDGE

November 2019

The editors are pleased to announce the **call for the twelfth volume** of the Cambridge Occasional Papers in Linguistics. For aims, scope, and submission requirements not covered in this call, please refer to the [COPiL homepage](#).

The editors welcome submissions of full research papers (10,000 word limit, excluding references) and squibs (3,500 word limit, excluding references). Submissions are open to all members of the University of Cambridge. We especially encourage submissions from previously underrepresented areas, e.g. phonetics, pragmatics, language acquisition, computational linguistics, language contact, etc.

We encourage MPhil students, PhD students, and researchers to submit their work. Note all graduate students should have their submissions pre-approved by their supervisor(s).

We strongly encourage the authors to submit their manuscripts in `.tex` (L^AT_EX) format with a separate `.bib` file containing the bibliography. Word (`.doc/.docx`) submission will also be accepted. Formatting guidelines can be found [here](#).

The deadline for submissions is **14th February 2020**.

Please send your submissions or any other queries to Alex Cairncross ([aac61](#)) and/or Sana Kidwai ([sak83](#)).
